The run concluded Reading’s Children’s Festival, a two week festival of family entertainment and children’s events.

“It’s always a wonderful evening, celebrating with the local schools. Running is such an inclusive sport; it’s lovely to see the excitement on the youngsters faces along with the growing talent in the county,” says Judith Manson, Race Director. “The Green Park Challenge is growing in popularity and it’s fantastic to welcome so many familiar faces, families and schools across Berkshire back to the start line every year. Congratulations to all those who took part and we extend our thanks to our partners for their continued support.”
